*Thank you so much, Japs Tour, for arranging such an amazing Himachal trip for us , *

This was the very first package tour of our lives, and honestly, we were a little unsure in the beginning.

However, after speaking with Ankit Sir, we felt completely confident about choosing this trip. His guidance helped us plan exactly what we wanted to experience the snow at Rohtang and spend peaceful time close to nature in Tirthan Valley.

We absolutely loved visiting Rohtang and creating wonderful memories in the snow. But if I'm being asked about the highlight of the trip, it would definitely be Tirthan, Jibhi, and Shoja. The trek to Raghupur Fort and Jalori Pass was simply unforgettable.

The most amazing part was that on a single day, we experienced three to four different season sunshine, strong winds, rain, and even snowfall! It was truly a magical experience and something we will cherish forever.

Everything throughout the trip was well organized the stays, the drives, the sightseeing, and the overall arrangements. We were also very happy that the team managed to provide good Jain food wherever possible, which made our journey even more comfortable.

We recently did a private 10-day trip to Spiti with Japs Tour for a group of nine, and it was an incredible experience from start to finish.

We booked the trip at the very last minute, and while several other tour operators told us it wasn't possible because Spiti was already overbooked, Japs Tour managed everything seamlessly. They took care of all the bookings and stayed in constant touch with us throughout the planning process, making the entire experience completely hassle-free.

Our trip was managed by Jayant, and we couldn't have asked for a better operator. He went above and beyond to ensure everything ran smoothly—from resolving minor issues with hotel staff to regularly checking on everyone's health and well-being throughout the journey. His professionalism, promptness, and genuine care made a huge difference and allowed us to simply enjoy the trip without any stress.

I would highly recommend Japs Tour to anyone looking for a well-organized, stress-free, and memorable Spiti experience. They truly exceeded our expectations, and we had the best 10 days!

I recently booked a trip through Zaps Tours, including both my accommodation and a driver, and I had a wonderful experience. A huge shoutout to our driver, Mahesh, who made the journey incredibly smooth and stress-free. He was extremely calm and composed throughout the trip, showed excellent driving skills, and had great knowledge of the local routes. The accommodation arranged by the company was also comfortable and well taken care of. I am really happy with the overall service and would definitely recommend booking with them.

Most trusting people, provide a good stay with good food and hospitality. Also plans our trip in a very impressive manner with very good itinerary. Plus the imp part is they are always available (at night too) for picking up your calls and solve your issues. I personally travelled with them to Manali, Kasol, Jibhi and Udaipur trips. They are fantastic. Good work 🙌
